

Tuesday Oct 5

Deephams Desert. Sat, for the first time, on the desert where
Cooley, Christiansen, Campbell and Evans sat. It has
always been the height of my ambition. With me, to day,
were Brooks, G. J. Stone, Steen, Osterman, Moore, Bird and
Klein. After the morning we heard three cases. The
first case heard by me on the Deephams Desert was
Shrout v. Lewis. Deserted it and heard cases from 10 to 12,
and from 1.30 to 3.30. After court we stood in the Consultation
Room, and later on the cases we have heard. In the
morning, from 9 to 10, we took about the cases that
have been assigned to us and that we are supposed to
have looked over.

Desert. Ida and I walked over there to night to see
how they are getting along.
Many. The desert from Idemans to night.
Weather. This and reasonably warm for fall.
